

# The Devil's Dictionary

Ambrose Bierce

Ambrose Bierce (1842 – 1914?), satirist, critic, poet, short story writer and journalist. His fiction showed a clean economical style often sprinkled with subtle cynical comments on human behaviour. In the Devil's Dictionary, he let his sense of humour and his cynical outlook on life colour a collection of dictionary-like definitions.  
(Summary by Peter)

Total running time: 8:35:00
